## CSA Share Options:

### **Regular Size CSA Boxes**

Include 6 – 9 items and feed a family of 2 – 3. Boxes usually include the following items and quantities:

- ✓ 1 head of lettuce
- ✓ 1 bunch of greens (kale, collards, chard, etc.)
- ✓ 1 root vegetable (1 bunch of carrots, beets, 1 – 2# potatoes, etc.)
- ✓ 1 bunch of herbs (basil, parsley, rosemary, thyme, sage, etc.)
- ✓ fruit whenever we have it (strawberries, raspberries, blackberries, apples, peaches, pears, figs, etc.)
- ✓ 1 allium (onion, garlic, leek, etc.)
- ✓ plus whatever else is in season – cucumbers, summer squash, tomatoes, corn, and so much more!

We strive to offer a wide variety of items so you never get bored. We also send out a newsletter every week with recipes, storage and preparation tips, and news and views about the farm.

## **Scholar Bags**

What is a scholar bag? It's basically like a smaller version of the CSA box. It is a lower price than the regular CSA box and includes about 3 – 4 items tailored to make a meal, with a recipe included. The scholar bag membership is a 1 month subscription. If you were thinking about not joining the CSA because the regular box is too much produce, this might be a good option to try.
